Dear Prospective Student,

With regard to the medical insurance that is required by the South African Embassies to qualify for a Study Visa, you should know the following:

- 1) This school does not provide this coverage for you (this is beyond "basic" medical). It is an individual venture you take, getting the coverage you choose and paying the premium accordingly. You may choose a company in your country or any company.
- 2) I have searched out an insurance company within South Africa who is willing to work with our prospective students, (if they so choose), at a reduced rate.
- 3) The contact details for this company and its representatives are below:

Address:

INGWE HEALTH PLAN
Suite 901, 9th Floor
85 Field Street, Durban 4000
Kwa Zulu Natal,
Rep. of South Africa

Telephone: 0027 31 369 5019

Website: ingwehealth.co.za

- 4) Inform them that you are a prospective student of this school and you need their advice as how to arrange & pay for this coverage.

It is my hope that this information will be of assistance to you as you make your arrangements.

Yours Faithfully,

Dr. L. James
Director
